

Privacy Policy

Privacy Statement

In the course of using this website, mobile applications or its custom extensions or availing the products and services via the online application forms and questionnaires, UNIFI IM and its Affiliates may become privy to the personal information of its clients, including information that is of a confidential nature.

Unifi IM is strongly committed to protecting the privacy of its clients and has taken all necessary and reasonable measures to protect the confidentiality of the client information and its transmission through the world wide web and it shall not be held liable for disclosure of the confidential information when in accordance with this privacy Commitment or in terms of the agreements, if any, with the Clients.

Unifi IM undertakes not to disclose the information provided by the Clients to any person, unless such action is necessary to:

- Conform to legal requirements or comply with legal process;
- Protect and defend UNIFI IM's or its Affiliates' rights, interests or property;
- Enforce the terms and conditions of the products or services; or
- Act to protect the interests of UNIFI IM, its Affiliates, or its members, constituents or of other persons.

The Clients shall not disclose to any other person, in any manner whatsoever, any information relating to Unifi IM or its Affiliates of a confidential nature obtained in the course of availing the services through the website. Failure to comply with this obligation shall be deemed a serious breach of the terms herein and shall entitle UNIFI IM or its Affiliates to terminate the services, without prejudice to any damages, to which the client may be entitled otherwise.

Website Analytics: Unifi IM website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses cookies that are text files containing small amounts of information {this does not include personal sensitive information} which are downloaded to your device when you visit a website in order to provide a personalized browsing experience. Cookies do lots of different jobs, like allowing users to navigate between pages efficiently, remembering their preferences, and generally improving their browsing experience. These cookies collect information analytics about how users use a website, for instance often visited pages. All information collected by third party cookies is aggregated and therefore anonymous. By using our website user/s agree that these types of cookies can be placed on his/her device. User/s is free to disable/delete these cookies by changing his/her web browser settings. Unifi IM is not responsible for cookies placed in the device of user/s by any other website and information collected thereto.

The Client authorizes Unifi IM to exchange, share, part with all information related to the details and transaction history of the Clients to its Affiliates / banks / financial institutions / credit bureaus / agencies/participation in any telecommunication or electronic clearing network as may be required by law, customary practice, credit reporting, statistical analysis and credit scoring, verification or risk management and shall not hold Unifi IM liable for use or disclosure of this information.
